Showing and Move-Out Procedures

Common Questions Regarding Showings:

Q: Who will be coming into my home?

A: Prospective tenants with a REALTOR. *Please make sure MHN has your alarm code if you use one. Thanks.*

Q: How will I know about it?

A: Centralized Showing Services (CSS) will call you to confirm the appointment. You will be given a 1 hour notice. *Please note: denying a showing will incur a \$75 fine.*

Q: Do I have to leave during a showing?

A: No, it is still your home. If you are home, please allow free access to the REALTOR and their clients.

Q: When will they come?

A: Prospective tenants and their REALTORS will come during daylight hours starting the last month of your lease. The showings will continue until your home is rented.

Q: How will they get in?

A: A SUPRA key box will be placed on your property. Only REALTORS can access the box ONE TIME per scheduled appointment with their electronic SUPRA key.

Q: What do I need to do?

A: Leave the top deadbolt unlocked so that REALTORS can access the property. We know you're in the process of packing up, but please keep the property as tidy as possible.

Q: Do I have to show the home if someone knocks on my door requesting to see it?

A: Empathically NO. Advise them to call MHN Properties to set up a showing with a REALTOR.

How to get my security deposit back:

NEW FREE SERVICE: MOVE OUT THE EASY WAY

To reduce the hassles associated with moving, MHN is now arranging the cleaning required in your lease at no additional charge.

To take advantage of this offer:

1. **Prepay** for cleaning, carpets and *(if required)* pest control with your last month's rent.
2. **MHN will arrange** for these services (required in your lease) after you move out. No worries to you!
3. We request a standard **\$500 prepayment**; however all homes are different sizes and states of cleanliness. If the carpet/ cleaners/ pest *(if required)* is less than \$500, you will be refunded the difference with your security deposit. If the cleaning exceeds this amount *(due to dirty filter, burnt out bulbs, difficult carpet stains, etc.)* the remainder of the bill will be paid out of your security deposit.
4. You will **see all the accounting** when you received your security deposit at the address you provided on your 30-day move out form.

THE DO IT YOURSELF WAY

1. Arrange for the MHN approved vendors to clean your home, the carpets and, if required, do pest control.
If you choose to use non MHN approved vendors and you don't pass inspection, you will pay for cleaning again from your security deposit.
2. Pay the vendors at time of service.
3. Make sure all service is performed before the end of the lease.
4. Bring the paid invoices with you to MHN office when you turn in your keys.
Failure to provide paid receipts could end to you paying for an additional cleaning/ pest control from your security deposit.
5. If do not prepay for service nor provide completed invoices with your keys in the MHN office, you will be assessed a \$100 coordination fee as per your signed tenant acknowledgements.

If you schedule and prepay by do not show up at the appointed time, you forfeit your prepaid fee and the right to be present. These photographs will be compared to those taken immediately before your move in orientation, to your move in condition form, and to your maintenance requests in order to determine which, if any, charges will be made against your security deposit.*

Security Deposit Refunds cannot be picked up in person.

Additional Helpful Information

Am I required to have a key box?

You may withdraw your authorization to allow a key box on the Property by providing written notice to MHN Property Management and **paying the Landlord a fee of 1 month's rent** as consideration for the withdrawal. MHN Property Management will remove the key box within a reasonable time after receipt of the notice of withdrawal and payment of the required fee.

→ *Removal of the key-box does not alleviate your obligation to make the property available for showings. (Paragraph 14 of Lease Agreement)*

What is Centralized Showing Service (CSS)?

Centralized Showing Service is a service that records who is showing your house and will notify you beforehand. CSS will give you a courtesy call to inform you of each showing; however, even if you cannot be contacted, the house will be shown. In addition, CSS will record if you deny or cancel showings.

In order to be properly notified, please make sure we have your preferred number.

- Do not lock the keyless deadbolt on the front door.
- If you use a **security system**, call the office to confirm that we have the **correct security code**.
- Secure your pets or remove them from the property if they would interfere or prohibit showings.

When will I be charged a \$75 fine?

- If you deny a showing
- If you cancel a showing
- If the property is inaccessible for a showing
- If your pets prevent or prohibit a showing

How will I loose my security deposit?

- If you fail to keep the property presentable for a showing
- If you fail to allow reasonable showings.
- To repair damages to the home beyond normal wear and tear

OPTIONS FOR CLEANING THE HOME

Best Option: Prepay for professional home cleaners, carpet cleaners and pest (if required) with your last months rent. Relax, after you've removed your belongings and all trash/ debris/ dog droppings; you're done. WHEW WHO!

Next Best Option: Use vendors who guarantee their work to MHN standards. **(List provided upon receipt of 30-day notice)** Arrange first for the professional cleaning and then professional truck-mounted carpet cleaning. Make sure all your belongings are cleared out of the home before the cleaners come. **Pay vendors directly.** *Turn in paid invoices on or before the last day of your lease at the MHN Office along with your keys and garage remotes.*

Not Recommended: Hire a cleaner that is not on the approved MHN providers list. (Tell them this is a "make ready clean" and provide them our list of expectations below.) ***Failure to pass MHN Inspection will cause you to be charged for professional cleaners, plus a \$100 make ready coordination fee.*** Unlike vendors we have a relationship with, we cannot send back the vendor you chose to fix the items they missed. We'll have to send one of our vendors and you'll pay for cleaning again. If only a few items are missed, you will be charged per item (list on last page).

Not Recommended: You do have the right to clean the home yourself. To help you, please reference the MHN cleaning expectations detailed on the next pages. ***Failure to pass MHN Inspection will cause you to be charged for professional cleaners, plus a \$100 make ready coordination fee.*** You will still need to pay for the carpets to be professionally cleaned. (What are the odds? In the 11 years of business, approximately 3 tenants have cleaned the home themselves and passed the MHN inspection.) If only a few items are missed, you will be charged per item (list on last page).

A NOTE ON TRASH

The home, garage, patios, walkways, driveway, sidewalk, yard must be cleared of any trash, unwanted items, debris, pet droppings, litter, oil stains or excess garbage. If the items you leave at the home exceed what fits in your provided trashcan, you are responsible for hauling them away. You will also need to rinse out your trashcans and leave them empty and inside the garage.

RENTAL VERIFICATIONS

We often receive requests from mortgage companies and other landlords wanting a verification of a tenant's rental history. They usually want this information filled out and faxed back to them immediately. We are happy to comply. If you are a current resident or have been within the past 12 months we require a \$20.00 processing fee in order to cover the costs and time associated in performing this service. If you are a past resident beyond a year the fee is \$30.00.

WHEN LEAVING THE HOME

After you have cleared out all your personal belongings and removed all trash, unwanted items and debris, please make sure the thermostat is set to 79° in the summer, 55° in the winter, all windows are locked and that ***the keyless deadbolt is unlocked.***
